

Yadumithra U N

computer Science & Engineering Student

yadumithra1@gmail.com • linkedin.com/in/yadumithra-u-n • Kasaragod, Kerala, India

PROFILE

Motivated Computer Science undergraduate with hands-on experience in computer vision, machine learning, and full-stack development. Proven leader in innovation ecosystems as IEDC Student Lead and convenor of IEDC Summit 2025 — Asia's largest summit for aspiring entrepreneurs. Actively seeking internship opportunities to apply and deepen technical expertise.

EDUCATION

LBSCollege of Engineering, Kasaragod, Kerala

2023 – Present

B.Tech in Computer Science and Engineering | 6th Semester

CGPA: 8.6 / 10

PROJECTS

Waste Littering Detection System

Developed for Smart City Trivandrum

- Built a real-time computer vision pipeline to detect and geo-tag instances of public littering using object detection models (YOLO-based), developed for the Smart City Trivandrum initiative.
- Integrated with city surveillance infrastructure to enable automated alerts to municipal authorities.
- Applied image preprocessing and model fine-tuning techniques to improve detection accuracy in varied lighting conditions.

Handwritten Doctor Prescription Recognition System

Academic Project

- Developed an OCR-based system to digitize and interpret handwritten medical prescriptions using deep learning and image processing techniques.
- Addressed challenges of irregular handwriting, medical abbreviations, and low-quality scans through custom preprocessing pipelines.
- Aimed at reducing prescription errors and improving accessibility of medical information for patients and pharmacists.

Kasaroam.in – Developer

Startup / Live Platform

- developed kasaroam.in, a live web platform serving the Kasaragod region.
- Led full-stack development decisions, UI/UX design, and deployment of the platform.
- Managed cross-functional team coordination, product roadmap, and stakeholder communication.

LEADERSHIP & EXTRACURRICULARS

IEDC Student Lead (Campus)

2024 – 2025

- Led campus innovation and entrepreneurship initiatives; mentored student startups and organized workshops and hackathons.

IEDC Summit 2025 — Convenor

2025

- Served as convenor for Asia's largest summit for aspiring entrepreneurs; oversaw event planning, speaker coordination, and logistics for a large-scale national event.

IEDC Creative Lead

2023 – 2024

- Directed creative campaigns, branding, and visual communications for campus innovation events and competitions.

SKILLS

Technical

Python, Java, C • Computer Vision • Machine Learning • OpenCV • YOLO • TensorFlow / PyTorch • Git • Linux

Web & Tools

Full-Stack Development • REST APIs • HTML/CSS • VS Code • Figma (basic)

Soft Skills

Leadership • Public Speaking • Event Management • Team Collaboration • Problem Solving • Creative Thinking • Entrepreneurial Mindset
